Intelligence Community Staff Weekly Report

9 - 13 August 1982

Completed

- FY 84-88 NFIP - Revised guidance to NFIP Program Managers has been prepared for Acting DCI signature as a result of the ICS review of FY 84 budget forecasts and the recent NFIC meeting. The SIG(I) will discuss the FY 84 budget forecast at a 26 August meeting.

Ongoing

- Counterintelligence/Countermeasures - Conversations have been held with Mr. O'Malley, FBI, who is expected to be the designated Chairman of the IG/CI, and with Mr. Snider, on behalf of General Stilwell, who is expected to be the Chairman of the IG/CM. Discussions have centered on activities and procedures for the activation of the IG/CI and IG/CM. An initial meeting of each IG is expected to be held before the end of August. ✓

- Narcotics Trafficking - In response to a Vice Presidential request, the staff is continuing development of a Community plan for increased SIGINT collection in support of monitoring narcotics trafficking activities. In addition, as a follow-up to a July 1982 SSCI hearing on narcotics, the Acting DCI has asked the ICS to develop a long-range plan for dealing with the problem to include increases in funds and personnel. This plan will be briefed to the SSCI later in 1982.
